**Research Experience:**

**1996-2000 Principal Investigator, HealthCore, Newark, DE**

**1995-1996 Sub-Investigator, Clary Research Associates**

**1989-1990 Research Fellow in Neuropsychiatry, The Johns Hopkins University—human, primate and rodent studies of mechanisms of depression following stroke**

**1982 Fellowship, The Medical College of Pennsylvania, Department of Pharmacology—investigating the effects of environmental stress on beta-adrenergic receptor systems in rat brain**

**Participant in the Following Clinical Trials:**

**Phase III Trials:**

- **Paroxetine vs. Imipramine vs. Placebo in Bipolar Depression, SmithKline Beecham, 1995**
- **Paroxetine vs. Placebo in Generalized Social Phobia, SmithKline Beecham, 1995-1996**
- **Paroxetine vs. Placebo in Long Term Treatment of Social Phobia, SmithKline Beecham, 1995-1996**
- **IR Paroxetine vs. Modified Release Paroxetine in Major Depression in the Elderly, SmithKline Beecham, 1996-1997**
- **Modified Release Paroxetine vs. Placebo in Panic Disorder, SmithKline Beecham, 1996-1997**
- **Fixed-dose Paroxetine vs. Placebo in Generalized Social Phobia, SmithKline Beecham, 1997**
- **Open Label M10907 in Schizophrenia of Other Psychotic Disorders, Hoechst Marion Roussel, 1998-1999**

**Phase IV Trials**

- **Sertraline vs. Placebo in Elderly Outpatients with Depression, Pfizer, 1997-1998**
- **Buspirone vs. Placebo in Children and Adolescents with Generalized Anxiety Disorder, Bristol-Myers Squibb, 1999**

**Presentations at Meetings:**

**Bryer, J.B., Starkstein, S.E., Parikh, R., and Robinson, R.G.: Reduction of CSF monoamine in post-stroke depression. Paper presented at the American Psychiatric Association Convention, New York, NY, May 16, 1990**

**Yang, N.C., Leichner, P., Pearlson, G.D., Mendizabal, J., Bryer, J.B., Dhinra, U., Tien, A., and Hawkins, W: CT brain volumetrics for Alzheimer's Disease. Paper presented by Dr. Yang at the 1998 World Congress on Medical Physics and Biomedical Engineering**

**Caudarella, M, and Bryer, J.B.: Effect of kindling and post-trial electrical stimulation on discrimination learning. Abstract presented by Dr. Caudarella at the Society for Neuroscience Convention, 1981**

**Lectures By Invitation (Selected):**

- **Effects of Alzheimer's Disease on the Family. Presented at the Alzheimer's Association annual conference, Wilmington DE, November 8, 1990.**
- **Cognitive complications of alcohol abuse. Presented at the Department of Psychiatry Grand Rounds, The Medical Center of Delaware, November 1990.**
- **False memory syndrome. Presented at Grand Rounds, MeadowWood Hospital, New Castle DE, January 1995.**
- **Electroconvulsive therapy. Presented at Grand Rounds, MeadowWood Hospital, New Castle DE, March 1996.**
- **Understanding bipolar disorder. MeadowWood Hospital Continuing Education Lecture Series, New Castle DE, 1993.**
- **Seasonal affective disorder. . MeadowWood Hospital Continuing Education Lecture Series, New Castle DE, 1993.**
- **Psychiatric complications of Alzheimer's Disease. Presented at Leader Nursing Home, Wilmington DE, October 21, 1991**
- **Bipolar Disorder. New Directions support group, Wilmington DE, 1994**
- **Post-stroke depression. Stroke Club support group, Jewish Community Center, Wilmington DE, June 1996**
- **Families and professionals: A partnership to recovery. Alliance for the Mentally Ill in Delaware Annual Conference, Wilmington DE, October 8, 1998**
- **Non-pharmacologic treatments of depression: ECT, phototherapy, and sleep deprivation. New Directions support group, Wilmington DE, 1999.**
- **Ask the doctor. Alliance for the Mentally Ill in Delaware Annual Conference, Wilmington DE, October 7, 1999**

**Numerous additional presentations at churches, hospitals, retirement communities, and to physicians**

**Publications:**
